More than 6 million young people across the country today will celebrate National 4-H Week, an annual celebration of 4-H during the first full week of October. Charlotte County 4-H will leverage National 4-H Week this year to showcase the great things that 4-H offers young people and highlights the incredible 4-H youth in the community who work each day to make a positive impact on the community.

Tufts University 4-H Study of Positive Youth Development have shown that 4-H’ers are:
- Nearly four times more likely to contribute to their communities,
- Two times more likely to pursue healthy behaviors like, and
- Two times more likely to engage in Science, Technology, Engineering and Math (STEM) programs in the out-of-school time.
Monthly Clubs:

**Cloverbud Club**
Ages 5-7, as of September 1, 2015
This club meets the 1st Monday of each month, 6pm at the Extension Office in Port Charlotte.
Call (941) 764-4340 for more information.

**Cows 'n Plows Swine 4-H Club**

**Veterinarian Science**
Ages 11-18, as of September 1, 2015

**Charlotte Shutterbugs Photography Club**
Ages 8-18, as of September 1, 2015

**Rockin' Paper and Scissors Scrapbooking Club**
Ages 5-18, as of September 1, 2015
4-H News:
Club Leadership – Looking for Leaders!
We are looking for leadership assistance in several of our clubs. We need to find other parents, grandparents, community leaders that will assist in leading the clubs. The following clubs are in need of additional leadership help: Cloverbud, Fur & Feathers, and Manes & Reins. Please contact the Extension Office if you, or someone you know is willing to help!

ATTENTION CLUB MEMBERS!
If you are planning on running for an officer position, please be prepared by October 1, 2015 by having your one minute presentation ready as to why you should be in that certain position. The presentations WILL take place at your October club meeting!

NEW! Garden Club!
The new club will have a gardening bed at the South County Park in Punta Gorda. Saturday, October 10th at 9:30am, there will be a planting day for all members to attend. Please contact the Office at 941-764-4345 if you will be in attendance.

NEW OFFICER TRAINING!
If you are a new officer for the 2015-2016 4-H year, attendance is mandatory for officer training– being held on Saturday, October 24th from 10-2pm at the Extension Office!

Grilled Corn on the Cob!

**Ingredients:**
5 ears of corn on the cob, left in the husk
Olive oil or butter, enough to brush on cobs
Salt and Pepper to taste

**Instructions:**
1. Cut off excess silk hanging from the end and remove loose husk. If the ears have many layers of husk on them, peel off the first few only, leaving the inner layers for protection.
2. Soak the whole cobs in a pot of cold water for 15 minutes. Be sure the ears are completely covered with water. A bowl can be placed on top of them to weigh them down in the pot. The soaking will provide extra moisture for cooking and will steam the corn kernels inside the husks.
3. While the corn is soaking, preheat the grill to about 350 degree F.
4. After soaking, remove the corn from the water and shake off any excess water.
5. Begin by pulling the husks of the corn back (do not completely remove them). Remove and discard only the silk.
6. Brush the kernels with olive oil or butter. Before you re-wrap the corn in the husks, sprinkle with salt and pepper. Then reposition the husks back over the kernels.
7. Grill over medium heat, covered, turning when necessary to prevent too much charring on one side of the husk. Grill for approximately 30 minutes– turning every 5-8 minutes.
8. Remove from the grill and peel back the husks. Enjoy!

We will need 4-H Members to volunteer for this event!
Please call 941-764-4349 to reserve your spot to volunteer!
Lana Cardwell

How long and what years were you involved in 4-H?
I was a member of Charlotte County 4-H for seven years— from 2001-2008.

What clubs were you involved in? I was involved in the Cows N’ Plows club for all seven years that I was in 4-H. I showed hogs, steers, and a heifer. I also was involved in the 4-H Exchange club and was fortunate enough to travel to Montana for a week stay. We were hosted by a County 4-H in Montana for that whole week. I learned that a ‘Gopher’ in Montana was not a turtle as it is known here in Florida. I also learned that wheat and cattle are big productions in Montana.

Other than clubs, what other Charlotte County 4-H activities were you involved in? I attended 4-H University in 2004 when I was a freshman in high school. I really enjoyed this trip, we had the opportunity to stay in the University of Florida’s dorm rooms for that whole week! I learned a lot about the University and possible career opportunities. I met a lot of people throughout the Florida during my stay.

What are you doing now? I am currently the 4-H Program Assistant here in Charlotte County. I am also a graduate student at the University of Florida majoring in Agricultural Education.

What did you have to accomplish in order to get where you are today? 4-H had a great influence on the person that I am today. I learned responsibility, time management, respect, and motivation to accomplish my goals. I attended Florida State University and received my undergraduate degree. I then moved back to Charlotte County and decided that I wanted to start a career that dealt with Agriculture and youth.

If you could sum up your 4-H experience in one word, what would it be? Grateful.

Did 4-H play a role in the person you are today? If so, how? 4-H has guided me down a path that I am forever thankful for. If I did not believe in the power that 4-H can have in ones life, I would not be employed here today. 4-H gave me the motivation to pursue my dreams and to never give up.
Charlotte County 4-H Day in the Park! Thank you to all of our 4-H family for coming out to McGuire Park!

The Mission of UF/IFAS is to develop knowledge in agricultural, human and natural resources, and to make that knowledge accessible to sustain and enhance the quality of human life.

The enclosed material is provided as one of the many services relating to the educational programs offered by this agency. Our statewide network of faculty is prepared to provide current information on food, agriculture, marine and natural resource science, energy, nutrition, family and 4-H youth, and related fields. We will be happy to help you with additional information upon request.

All programs and related activities sponsored for, or assisted by, Charlotte County Extension Service are open to all persons regardless of race, color, age, sex, disability or national origin. Information from this publication is available in alternate formats. If you are a person with a disability and require auxiliary aids, services, or other accommodations for extension program offerings, please contact our office to discuss what accommodations are necessary.

The use of trade names in this newsletter is solely for the purpose of providing specific information. The Florida Cooperative Extension Service, University of Florida, and the Charlotte County Board of County Commissioners do not endorse or condemn the products named and do not intend discrimination against similar unnamed products that also may be available.
